Did you know...?

*Morehouse Farm is the farm
that introduced superfine Merinos to New England!
There's nothing like the super soft feel
of our superfine yarn.*

Cast on 35 stitches.

Work setup rows for beginning edge:

- Row 1:* k1, purl to last stitch, k1
Row 2: knit
Row 3 & 5: repeat row 1
Row 4: repeat row 2

Begin pattern:

- Row 1:* k5, *yo, k2 tog, repeat from * to last 4 stitches, k4
Row 2: k1, purl to last stitch, k1

Repeat these two rows until you have about 10 yards of yarn left, ending with Row 1.

Work finishing edge:

- Row 1:* k1, purl to last stitch, k1
Row 2: knit
Row 3 & 5: repeat row 1
Row 4: repeat row 2

Bind off loosely.

Finishing: This is where the magic happens!

- 1) Wash in lukewarm water with mild soap (we recommend Palmolive).
- 2) Rinse in water that's the same temperature and gently squeeze out as much water as you can.
- 3) Roll up the scarf in a towel to remove even more of the remaining moisture.
- 4) Now, stretch the scarf to its final dimensions. You could:
 - pin it on blocking mats
 - use blocking wires
 - stretch it on the corner of your bed
 - Or my personal favorite: stretch it out on a cut pile carpet!
The carpet fibers provide just enough cling to hold a lace project in place while it dries.
